

ERNIE ELS
ELS FOR AUTISM

Ernie Els #GameON Autism™ Golf

I am going to learn how to play golf

What is #GameON Autism Golf?

#GameON Autism Golf is a fun way to learn how to play golf with friends!

We will be golfing outside at the Golf Facility.

Who is going to teach me how to golf?

I will listen to my golf teacher,
teachers, and my parents
during golf class.

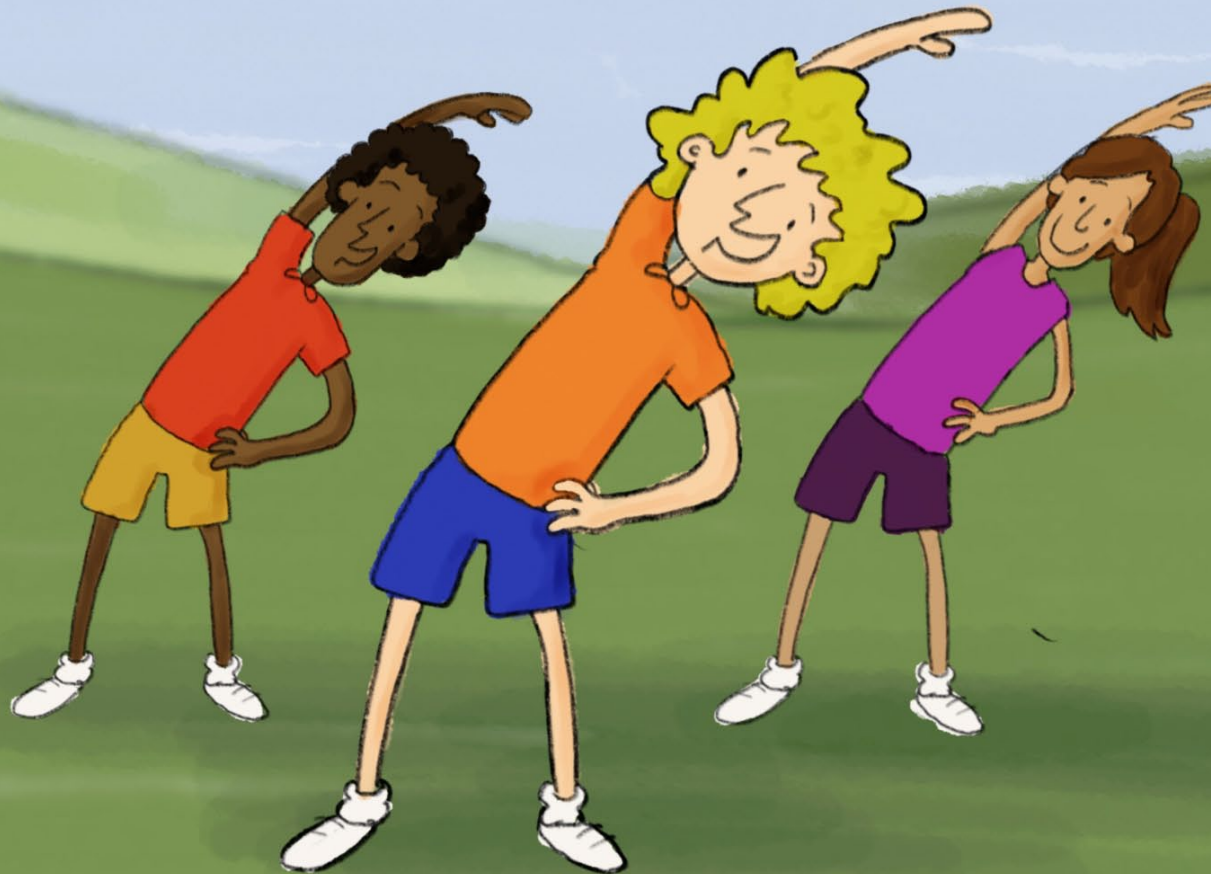

What am I going to learn?

During golf, I am going to learn how to hold the golf club and how to stand over the golf ball.

I will learn how to make different kinds of golf swings, big and small.

I am going to exercise before I golf

I will be warming up and doing a few exercises before I start golf activities with my golf teacher.

We will warm-up together, and my golf teacher will show me what to do.

What kinds of golf activities will I do?

I will practice making
big swings, small swings, and medium swings during fun golf activities.

Putting

Chipping

Pitching

Full Swing

These different swings are called:
Putting, Chipping, Pitching, and Full Swing.

Some RULES to follow....

**I will take turns with my golf friends during golf activities.
I will wait in the safe area for my turn to hit.**

Some RULES to follow....

I will share the equipment with my golf friends during golf activities.

Some RULES to follow....

I will listen to my golf teacher, and I will listen for the whistle.
The whistle will let me know when to switch activities.

I will follow the rules during golf!

When I golf, I will follow the rules so I stay safe and everyone around me stays safe, too.

It is important to remember that I need to wait in the safe area with my golf club on the ground until it is my turn to hit.

What if I need a break?

If I get tired, hot, or thirsty
I will go to the break station.
There will be water and shade.

If I have to go to the bathroom,
I will tell my teacher or my
mom or dad and they will
take me back inside to use the bathroom.

ERNIE ELS
ELS FOR AUTISM

I am going to have so much
fun learning how to golf!
